## AUDITOR'S REPORT

---

I have examined the records of orders drawn by the selectmen for the year ending Feb. 20, 1907, and find them duly vouched.

The report of the town treasurer shows the financial transactions of the year and their standing with the town at this date.

The reports of C. W. Locke and A. J. Coffin, collectors, show the amount of taxes they have collected the past year and their standing with the town at this date.

FRANK S. BOWKER, Auditor

Phippsburg, Me., Feb. 19, 1907.

## SCHOOL REPORT

---

To the School Board and Citizens of Phippsburg :

In compliance with the law I respectfully submit to you the following report :

The amount of money available for the support of schools the past year was as follows :

Amount raised by town	\$1,600 00
Amount received from State	918 45
	<hr/>
Sum total	\$2,518 45

The school census was taken as required by law and showed a decrease from last year, making an enrollment of 332 names.

Whole number registered in spring term, 227.

Average daily attendance, 174.

Whole number registered in fall and winter term, 220.

Average daily attendance, 168.

Length of spring term, 12 weeks.

Length of fall and winter term, 15 weeks.

Average wages per week during the year, \$5.54.

Average price of board during the year, \$2.60.

The schools have been quite successful as a rule and good work has been done, although the discipline in some of them has not been up to the standard of former years.

It is a noticeable fact that where a good teacher is found and can be retained in the same school a number of terms, better work and a larger amount is done.

It is my opinion that we are not doing full justice to our school children when we fail to provide at least thirty weeks of school in each year. The school money has been expended with the utmost care and economy, but the wages of competent teachers are certainly higher now than ever before.

There are two ways by which the length of the school year can be increased. First, by increasing the appropriation for schools; second, by discontinuing some of the schools in the small districts. I commend these things to your careful consideration, trusting you will act on them in a way that will advance the welfare and prosperity of our schools.

Three school houses have been repaired, the ones at Winnegance, Ashdale and Percy District. The repairs on the latter building were not fully completed, as the appropriation there was slightly overdrawn.

The school buildings now are all in fairly good condition except the one at West Point. This house needs extensive repairs and the school room remodeled.

The following teachers were employed and assigned to the several schools:

Winnegance, spring term, Katherine Charles, fall and winter term, Katherine Charles and Florence M. Oliver; Pitch Pine Hill, Eva R. Wyman; Dromore, Frances B. Stimpson; Center, spring term, Grace Dickinson, fall and winter term, Una L. Bangs and Georgie A. Wiggin; Parker Head, spring term, Lucy E. Linkin, fall and winter term, Eva L. Rattleff and Adelaide K. Rice; Percy District, spring term, Florence M.

Oliver, fall and winter term, Vanessa M. Johnson ; Pop-  
ham Beach, spring term, Allegra Blaisdell, fall and winter  
term, Charles E. Totman and Frances B. Stimpson ;  
Small Point, spring term, Gladys Merriman, fall and  
winter term, Georgie A. Wiggin ; Ashdale, spring term,  
Louise B. Mereen, fall and winter term, Emma J. Potter ;  
West Point, spring term, Charles E. Totman, fall and  
winter term, Gladys Leighton ; Sebasco, spring term,  
Ella J. Starrett, fall and winter term, Adelaide Rice.

The financial statements showing the cost of schools,  
text books, repairs and school supplies are found else-  
where in this report.

WM. R. BOWKER,

Supt. of Schools

PHIPPSBURG, February 15, 1907

For general information I publish herein a record of the marriages, births and deaths that have been reported during the past year.
